LAND ROVER CLUB

Christmas 2010

Comments

Welcome everybody to the 21st edition of Chairman's Injection.

As this year draws to a close, I am looking back with a certain element of pride and achievement, not just for the club but for my own personal conquests, it's not exactly been an easy year!

Onward and upward!

The new year brings great opportunity to sample some more of the great events we had in 2010 and hopefully some more new land to complement the new ones we had this year. I thoroughly enjoyed Avalanche, with the off road site, the facilities and its glider club right along side our camp site, what a cracking weekend. For this year I am looking forward to the proposed ALRC National at Bircham Newton near Norfolk at the end of May, the last time I went to a National was a very long time ago, in fact it was at Shottle when Nottingham Land Rover Club were involved with the running of it. (I was not even a member of NLRC then).

Then there is Frickley to look forward to, I think that is probably one of our best events, the off road site, the camp site the facilities and the much appreciated room above the barn, all make the event fantastic.

Any way I will take this opportunity to wish you all a very merry Christmas and a prosperous new year with very best wishes from the committee of Nottingham Land Rover Club.

Kind regards
One Ten.

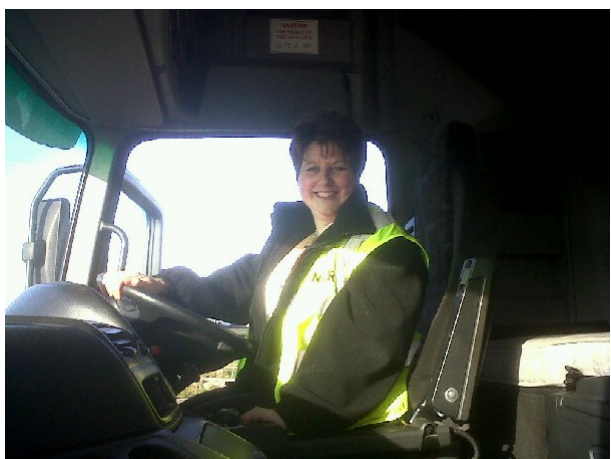

Hey Guys,

Welcome to another issue of the notts mag. I would like to say thank-you to Keith and Dan Bellwood for the firewood we had at Stainby . Mandy you finally got a go on a big one ;). Also i would like to thank everyone who did the food and behind the scenes work. It has been a great year, hopefully next year will bring new memories and exciting new courses. Head on over to the new nottsllrc website, Thank-you Keith for all the hard work you have put into it. I heard that two little birdies mum isn't happy about the broken plant pot super glue and her granite worktop. Oops!

Finally i would like to thank all the committee for there hard work to keep the club going through the year.

Until next time

Sarah
